### JEAN HOUSTON

SCHOLAR, PHILOSOPHER, RESEARCHER IN HUMAN CAPACITIES

#### General Session

Jean Houston, PhD will share her wisdom and experience as international representative for the United Nations, author, philosopher, and teacher on personal and social change. Houston has worked with international leaders including the Dalai Lama, Hillary Clinton, and Oprah Winfrey. In her session, she will invite you to explore a new Renaissance of the potential held by art educators to impact the fast-changing landscape of learning, and the implications of quantum physics on the arts.

### LINDA KEANE

PROFESSOR, ARCHITECTURE, INTERIOR ARCHITECTURE AND DESIGNED OBJECTS, THE ART INSTITUTE OF CHICAGO

#### Super Session

Linda Keane, AIA, is an artist, architect, and academic passionately active in greening public imagination. She believes that, "Design advocacy and art are socially engaged practices that analyze and activate the world." Her work has received awards from the National Endowment for the Arts, Fulbright, PBS, and more.

### STACY LORD

K-12 CERTIFIED ART EDUCATOR | ART EDUCATOR IN SPACE!

#### Super Session

From atmosphere to stratosphere, follow Stacy Lord's journey as she steps into the world of astronomy through NASA's SOFIA AAA program, fusing art with science.

### JESSE RENO

ARTIST

#### Super Session

Jesse Reno is a self-taught mixed-media painter who has been drawing since he could hold a pencil. Jesse has amassed over 4,000 paintings in the last 12 years, and has exhibited his work extensively across the US and Canada as well as in France and Mexico.

THURSDAY | MARCH 17

## THURSDAY EVENING HIGHLIGHTS!

### ARTISANS GALLERY Special Event

Celebrate educators as artists at the annual NAEA Artisans Gallery! View and purchase fine art and crafts created by your colleagues.

### OPENING NIGHT CELEBRATION Special Event

Celebrate art education Chicago-style! Dance, drink, and get creative! Connect with colleagues and maybe even win some prizes!

# SEE CHICAGO!

## HANDS-ON WORKSHOPS

Friday's highlights include the sessions below and hundreds more!

See the full schedule at [www.arteducators.org](http://www.arteducators.org)!

**BOB REEKER | LORINDA RICE | SCOTT RUSSELL  
MARI ATKINSON | PETER CURRAN**

### Super Session

*Addressing Assessment Authentically Across America:  
How Art Education Leaders Facilitate Meaningful  
Assessment for Students*

Join these leaders as they converse about authentically assessing new standards as well as the impact of assessment on the arts in this time of rigorous standardized academic testing and evaluation. All Convention attendees are invited to join the conversation!

**MICHAEL DINGES**

### Local Artist Series

Michael Dinges uses the traditional practice of scrimshaw and trench art to comment on the changing nature of labor and global trade. Historical instruments of navigation, plus the tools and crafts of the 19th-century sailors and 20th-century soldiers provide inspiration for his work.

**PATRICIA FRANKLIN**

NAEA PRESIDENT

### General Session

Join NAEA President Patricia Franklin for a look into the power of community and the value of the collective voice in advancing the mission of NAEA. Join our community in celebration of the 2016 NAEA National Award honorees.

**TED SOUTHERN**

PRESIDENT, FINAL FRONTIER DESIGN

### Super Session

Ted Southern is President and co-founder of Final Frontier Design, a space suit design and manufacturing company based in Brooklyn, New York. Ted won NASA's 2009 Astronaut Glove Challenge.

We're offering **MORE** hands-on workshops than ever before! Choose from 70+ opportunities to create and learn on Thursday, Friday, and Saturday.

### Mixing Paint and iPads: Technology in Hands-On, Tactile Making Experiences

Explore the potential of mobile devices for the creative classroom, while keeping the cardboard, scissors, and paint. Super-charge tactile artmaking experiences with technology integration.

### Embrace Creative Risk: Use Your Whole Body in Long-Distance Drawing

Foster flexibility, persistence, and an open mind with this creative problem-solving lesson. Create a large-scale drawing using a piece of charcoal taped to the end of a bamboo stick.

### What About Self-Care? Stress-Reduction Strategies for Art Educators

As art facilitators, we often experience burnout from caring for our students or clients. Discuss art therapy as self-care and discover usable self-care techniques through artmaking for reflecting, recharging, and regrouping.

### Critical Concepts in the Instruction of Screen Printing

Maximize student learning! Find out how to initiate a screen printing unit, using the block-out method.

### Dress Like a Masterpiece: Needle Felting Wearable Works of Art

Explore how recycled clothing can be turned into artwork through this simple, fun craft. Take away methods of sharing this with your students.

### Riveting Jewelry Making

Use functional cold connections (no torch!) to create a pendant from simple metals such as copper and brass. Explore how simple metal-smithing like this can be implemented in the classroom with minimal investment.

### Discover and Create: Using Stop-Motion Animation Techniques to Visualize Poetic Meanings

Explore animation techniques readily available on your portable device to visually discover personal meaning in poetry. Construct imagery and apply techniques to create a short visual and audio sequence

### Weaving Math to Create ART: Inkle Weaving

Weave together math and art by exploring inkle weaving and the math concepts it employs: estimation, measuring, weighing, and geometry.

## FRIDAY EVENING HIGHLIGHTS!
