Title: Roger Brown Study Collection and Susann Craig Loft and Collection

Venues: Roger Brown Study Collection, 1926 N. Halsted Street, Chicago, IL  
Susann Craig Loft and Collection, 2650 West Belden Ave., Chicago, IL

**Group departs at 11:00 am—Returns approximately 3:00 pm**

The tour will begin with a visit to Roger Brown Study Collection: a house museum, special collection, and archive of the School of the Art Institute of Chicago, featuring an astonishing range of objects including works by Chicago Imagists, self-taught artists, folk and tribal art, and objects from material and popular culture. Participants will then travel to the loft space/home of designer Susann Craig, a unique space developed to house her collection of self-taught art and contemporary work. Her two-story loft space was designed by MacArthur Genius grant recipient Jeanne Gang of Gang Associates; it is built around a small atrium with a retractable roof separating the kitchen area from the living space. Participants will be able to view the collection and space at leisure; Susann Craig will be available to answer questions about the collection and collecting. Presented by Lisa Stone and Susann Craig. *No meal will be provided.*

Title: Walking Tour: Art Deco Skyscrapers Downtown

Venue: Chicago Architecture Foundation, 224 S. Michigan Avenue, Chicago, IL 60604

**Group departs at 11:00 am—Returns approximately 2:00 pm**

Art Deco was a popular, modern style whose lavish materials and geometric ornament epitomized the prosperity and optimism of the Roaring '20s. See how the style enriches the soaring exteriors and opulent interiors of some of the city's most beautiful skyscrapers. Learn the origins of Art Deco and discover the popular motifs that are its hallmarks around the world while admiring such landmark buildings as the Chicago Board of Trade Building, One LaSalle Street Building, and Field Building (now the Bank of American Building). *This is a 2-hour walking tour so please dress appropriately for the weather and wear comfortable shoes.* Presented by Chicago Architecture Foundation docents. *No meal will be provided.*

**Ticket Price: \$45                      Maximum Number of Participants: 30**

Title: Walking Tour: Intersections of Old and New Chicago

Venue: Chicago Architecture Foundation, 224 S. Michigan Avenue, Chicago, IL 60604

**Group departs at 2:00 pm—Returns approximately 5:00 pm**

Compare the histories, styles, and functions of buildings located within sight of each other at five major intersections of downtown Chicago, and also examine the symbiosis between buildings and public art. Trace the evolution of these relationships as they yielded advances in building technology and secured Chicago's place as one of America's great cities. The tour features buildings from the Chicago School, the Beaux Arts movement, mid-20th century Modernism, Postmodernism, and the latest in architecture by Frank Gehry and Renzo Piano. It culminates with a visit to Millennium Park, the ultimate Chicago intersection, where world-class art and architecture combine to celebrate our varied culture. *This is a 2-hour walking tour so please dress appropriately for the weather and wear comfortable shoes.* Presented by Chicago Architecture Foundation docents. *No meal will be provided.*

Title: Frank Lloyd Wright's Robie House

Venue: The Frederick C. Robie House, 5757 Woodlawn Ave, Chicago, IL 60637

**Group departs at 10:30 am—Returns approximately 1:30 pm**

Frank Lloyd Wright's Robie House is both a masterpiece of the Prairie style and an icon of modern architecture. Participants will interact with Wright's design as they are led through the house by Education staff, exploring spaces designed over 100 years ago. After the tour, participants will work with Froebel Gifts 3 and 4, focusing on figures that progressively change into different Forms of Life and Forms of Beauty. They will then work with Froebel Gifts 5 and 6 to create their own form, and be asked to reflect on their process. Discussion will include the influence of the Froebel Blocks on Wright's design and architectural concepts, as well as the relationship between utility and aesthetics. Presented by Kim Scata. *No meal will be provided.*

Title: Artist-Led, Neighborhood-Driven: Creative Community Revitalization in Chicago

Venues: Rebuild Foundation Listening House, 6918 S Dorchester Ave, Chicago, IL 60637  
Washington Park Arts Incubator, 301 E Garfield Blvd., Chicago, IL 60637

**Group departs at 10:30 am—Returns approximately 3:00 pm**

Please join the NAEA Community Arts Caucus for a bus/walking tour of creative place-making projects on Chicago's South Side: Rebuild Foundation and the Washington Park Arts Incubator. Rebuild Foundation's Black Cinema House and the University of Chicago's Arts Incubator serve as national models of leadership and innovation in which art plays an intentional and integrated role in place-based community planning and development. Rebuild Foundation was founded by the artist Theaster Gates in 2010 with a mission to rebuild the cultural foundations of underinvested neighborhoods and incite movements of community revitalization that are culture-based, artist-led, and neighborhood-driven. Currently Rebuild Foundation operates out of five repurposed, formerly vacant buildings in the Greater Grand Crossing neighborhood of Chicago: Black Cinema House, Dorchester Art + Housing Collaborative (DA+HC), the Dorchester Projects Listening and Archive Houses, and Stony Island Arts Bank. After Rebuild Foundation, participants will then travel for a tour of the Washington Park Arts Incubator. This 1920s building was renovated for the University of Chicago's Arts + Public Life Initiative, and opened to the public in 2013. Also envisioned by artist Theaster Gates, the Arts Incubator is a space for artist residencies, arts education, and community-based arts projects—as well as exhibitions, performances, and talks open to neighborhood residents and the general public. The tour of the Arts Incubator will conclude with an interactive discussion with Arts Incubator staff and community arts practitioners working with youth and adults to creatively revitalize Chicago's neighborhoods. This tour is designed for arts educators and practitioners to explore exemplary creative place-making projects, and discuss the role and impact of the arts in the social, economic, and cultural redevelopment of communities. *Please note that the first segment of the tour involves walking from one Rebuild Foundation site to another, a distance of approximately two miles round trip.* Presented by the NAEA Community Arts Caucus and led by Andres L. Hernandez. *No meal will be provided, so please bring your own snacks and a beverage or water.*

Title: A Queer Tour of the Art Institute

Venue: Art Institute of Chicago, 111 S Michigan Avenue, Chicago, IL 60603

**Group departs at 10:30 am—Returns approximately 2:30 pm**

What might it mean to “queer” the art museum and readings of art? Join tour guides from differing backgrounds in Art and Education for a 2-hour tour of the Art Institute of Chicago, followed by a 1-hour reflection. The tour will be divided into four different tour groups that will engage the process of “queering” the art museum. Touring the museum, participants will engage different forms of art (e.g., paintings & drawings, designed objects, sculpture), different art periods (e.g., Renaissance, Ancient, Contemporary), and different cultural engagements with art (e.g., American Art, African Art, Eastern Art, and Latin Art) in order to think about and through the queer workings of art—queer as it relates to sexuality, as it relates to an artist's identity, the content of art, and queer as a practice of defamiliarization. Focusing on differing works, the tour offers participants in-depth opportunities for “looking” at art, exchanging readings with group members, and experiencing the Chicago Art Institute’s encyclopedic collection. Presented by Adam Greteman and James H. Sanders, III. *No meal will be provided.*
